Re: Commingling Casinghead Gas

Gentlemen:

Reference is made to your letter of July 1, 1974, requesting authority to commingle East Empire Yates-Seven Rivers casinghead gas from your State Well No. 2, located in Unit P of Section 28, Township 17 South, Range 28 East, Eddy County, New Mexico, with Artesia Pool casinghead gas from your State Well No. 1, located in Unit P of Section 29, Township 17 South, Range 28 East.

You are hereby authorized to commingle this gas as described above, provided that a gas-oil ratio test shall be conducted on each well semi-annually to determine the volume of commingled gas to be attributed to each well.

Very truly yours,

A. L. PORTER, Jr.
