Gentlemen:

The above captioned well was drilled to total depth of 10,746 feet and was plugged and abandoned March 2, 1954. As of this date we have not received two copies of either an electric log or sample log showing thereon the estimated formation tops as encountered in the well.

Please give this matter your immediate attention as set out in Paragraph A, Section D of Commission Order No. R-391.

Yours very truly,

OIL CONSERVATION COMMISSION
