Dear Ollie:

On February 9, 1960, I approved forms O-102 (Notice of Plugging) on John Calliger Delhi State wells number 1, 2, and 4, section 30-175-28E.

These wells have not been plugged. On August 3, 1960, I wrote him a letter asking for the present status of these wells but have had no answer. I believe you should notify the bonding company, don't you?

Very truly yours,

Oil Conservation Commission
