Re: W.D. Cunningham

Quinn-State #1-L 30-173-28

Cunningham & Ployhar

State #2-D 30-173-28

I also meant to show you three unapproved plugging reports. I am returning them for your approval; if you feel that they should be considered such.

Thanking You,

BY *L. T. Barr*

DATE 5-31-68

There have been a number of wells drilled and abandoned in this area over the years. Some of them have markers and some don't have. So it makes it pretty hard to know for sure which one you are looking at.

MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF		REPORT ON DEEPENING WELL	
REPORT ON RESULT OF PLUGGING OF WELL	<input checked="" type="checkbox"/>		

Artesia, New Mexico
