Dear Mr. Bedingfield:

We note from your recently submitted request for an allowable increase for the subject well that you have re-completed the well from the Grayburg (Red Lake) pay to the Seven Rivers (Empire) pay. Therefore, it will be necessary to file the following forms on the well, Form C-103 outlining the workover, Form C-104 giving information on the re-completion and Form C-110 to show the change from the Red Lake Pool to the Empire Pool.

If you have any questions concerning this matter do not hesitate to call me.

Very truly yours,

OIL CONSERVATION COMMISSION
