Dear Sir:

Please refer to your letter of May 2, 1960, regarding the present status of the above well since filing of "Notice Of Intention To Drill" on February 25, 1960.

There has been no work performed at the above well other than the staking of location and our intention to drill is still in effect. We will forward you appropriate forms when the well has been spudded and as drilling progresses.

Yours very truly,
