Hobbs, New Mexico

Gentlemen:

On May 24, 1960 a survey was made to locate your No. 1 location on the State "BV" lease at a point 977.87 feet from the West line and 2280.11 feet from the North line of Section 32, Township 17 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.

A flag was set at the USGLO Section corner marker common to Sections 29, 30, 31 and 32, and the Transit was set up at the USGLO Quarter corner marker common to Sections 31 and 32. Thence chaining $N0^{\circ}50'W$ from the Transit a distance of 330 feet along the West line of Section 32 to a point, thence $N89^{\circ}01'E$ a distance of 977.87 feet to the location site of the State "BV" No. 1. As a check on our survey we chained $S89^{\circ}01'W$ a distance of 977.87 feet to the West line of Section 32, thence $N0^{\circ}50'W$ a distance of 2280.11 feet to the USGLO Section corner marker common to Sections 29, 30, 31 and 32, checking in within the allowable error for this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
