Dear Sir:

Our field representative Bill Gressett inspected the location of your Delhi State Well #1 Unit D- 33-17S-28E. He found the location on your marker as being in Unit D-13-17S-28E. However, it should be Section 33, instead of Section 13. Please correct this mistake.

We will also need 6 copies of C-105 Well Record as soon as possible.

Yours very truly,

OIL CONSERVATION COMMISSION
