Sec. 35-17S-28E, Artesia
Pool, Eddy County, N.M.

Gentlemen:

A recent inspection of the above-mentioned location reveals that there is no dry hole marker, the pits have not been filled, the tie downs have not been cut, and that there is some junk on the location.

We will hold Forms C-102 and C-103 until you have had time to complete the above items.

Very truly yours,

OIL CONSERVATION COMMISSION
