Re: Delhi-Taylor-State Well
No. 1, Unit N, Sec. 35-17S-
28E, Eddy County, New Mexico

Gentlemen:

A recent inspection of the site of the above-captioned well indicates the following:

- 1) No location on well marker (should read SE $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 35-17S-28E);
- 2) The pits, cellar, and rat hole are not filled.

Please see that the above work is completed immediately so that your plugging report can be approved.

Very truly yours,

OIL CONSERVATION COMMISSION

M. L. Armstrong
Supervisor, District No. 2
