Attention of M. L. Armstrong, Supervisor.

Gentlemen:

Replying to your letter of May 3 regarding our Brewer No. 22 well, Unit J, Sec. 12-16S-29E, Eddy County, we are not requesting an allowable for this well and are carrying it as a shut in gas well.

Form C-110 was inadvertently submitted on No. 22 at the time we filed C-110's on our other Brewer lease wells to show Phillips Petroleum Co. as original gas transporter.

Yours very truly
