Re: High Lonesome Penrose Unit  
Section 15-16-29  
Eddy County, NM

Dear Mr. Newman:

We hereby acknowledge receipt of Federal Form 9-331 on two wells in the subject unit reporting your intention to restart injection in one and return the other well to production.

To date this office has not received Commission Form C-104 reporting a change in ownership on these wells.

Form C-104, with sections I, II, III & VI completed, must be submitted on each well in the unit. On the injection wells do not show a transporter.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett  
Supervisor, District II
