Re: Form C-115, Operators Monthly
Report, McCallister Fed. 1-J,
and 2-b, Sec.15-16S-29E, Eddy
County, New Mexico

Gentlemen:

It has been called to our attention by the Santa Fe Office that Form C-115, "Operators Monthly Report" has not been filed on the subject wells for the past three months. Normally, this would result in the wells being shut in as of April 1, 1961. However, since Castle and Wigzell have only just taken these wells over from William B. Barnhill, we will not take this step at this time.

Form C-115 for March, 1961, plus all back C-115's must be filed by April 24, 1961, or the wells will be shut in.

Very truly yours,
