Dear Ralph:

As you may recall, you mailed us a notice to shut in the subject wells the first of this month. However, we did not shut the wells in as the ownership of the wells had just changed from William B. Barnhill to Castle & Wigzell and we didn't feel it would be "fair" to shut in the new operators for Mr. Barnhill's "transgressions". Therefore, we wrote the present operators directing them to supply the needed Form C-115's as quickly as possible. Today we received a reply from Castle & Wigzell plus a copy of some correspondence to them from Mr. Barnhill. We have made copies of these letters and are sending them to you herewith.

We now await your further instruction in this matter.

Very truly yours,

OIL CONSERVATION COMMISSION
