17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

It is proposed to convert this well from oil production to water injection. It is planned to inject water down the casing after testing with tubing and packer to insure satisfactory condition of the casing.

Authority for above proposals granted by Commission Order No. R-2458.
