RE: J. C. Clower et al, Atkins-State  
#1 well, SW SW 16-16S-29E  
Highlonesome Pool, Eddy County, N.M.

Dear Mr. Whitaker;

In checking our bond file it appears that J. C. Clower, et al does not have a bond to cover their operations on State and Fee lands, however we do have a Blanket Bond in the name of J. C. Clower.

As you will recall, I have approved Form C-110 in the name of J. C. Clower et al reflecting change of ownership for the above mentioned well, which was formerly George Atkins. In view of this fact, it will be necessary for J. C. Clower to obtain a rider or consent of surety from your Bonding Company to the effect that operations of J. C. Clower et al will come under the Blanket Bond of J. C. Clower. Please have consent of surety forwarded to Oil Conservation Commission Box 871, Santa Fe, N. M. at your earliest convenience.

Yours very truly,

Oil Conservation Commission
