It is important to note that the proposed amendments to the GRI Convention are not intended to change the Convention's focus on the human element of the environment. The amendments are intended to ensure that the Convention remains relevant to the needs of the future.

## OIL CONSERVATION COMMISSION

APR 7 1971

APPROVED

W. A. Gussert  
OIL AND GAS INSPECTOR

## Results

This form is to be filed in compliance with RULE 1103.

If this is a request for allowance for a newly drilled or deepened well, this town must be accompanied by a tabulation of the deviation found taken on the well in accordance with Rule 17.

All sections of this form must be filled out completely for allow-  
ance on new and replacement work.

File out only Part of I, II, III, & IV of the report of owner, with name of the ship, of the incident, and the name of the condition.

Separate Forms O-104 must be filed for each pool in multiple complete units.
