O. C. C.
ARTCSIA, OFFICE

Dear Sir:

Receipt is acknowledged of your "Notice of Intention to Drill Deeper" your No. 1 Bonahue well on the subject land in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, section 27, T. 16S., R. 29E., Forest Pool, Eddy County, New Mexico.

The attached application is approved as of this date under the following conditions:

1. Furnish a percentage sample log covering formations drilled from the present to the new total depth.
2. In the event commercial productions is encountered, plans for running a production string of casing must be submitted for consideration by the district engineer prior to starting the work.
3. Submit a subsequent report of drilling deeper together with a log on form 9-330 after adequate production tests have been made.

Yours very truly

FRANK B. STAHL
Acting District Engineer
