DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This well was formerly the International Oil and Gas Corporation Dale Federal No. 2. Effective with the unitization of the Cave Pool on 5-1-63; it was renumbered Cave Pool Unit No. 2. Your approval of the change in operator and well designation is requested.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
