Gentlemen:

On June 27, 1960, I signed a Form C-110 on your State NM "CJ" well #1 in Unit--M, Sec. 2-16S-30E filed to show Skelly Oil Company as your transporter of the casinghead gas. On January 24, 1961, we received another Form C-110 changing your oil transporter from Cactus Petroleum Company to The Permian Corporation. This Form C-110 stated you had no gas transporter. Skelly says they are still purchasing the gas. Please submit a Form C-110 if Skelly is purchasing the gas.

Very truly yours,

OIL CONSERVATION COMMISSION
