U. S. Geological Survey
P. O. Box 187
Artesia, New Mexico

Att: Mr. John A. Frost

Gentlemen:

Re: Oil and Gas Lease
New Mexico 05407-C
Olen F. Featherstone

In response to your letter of May 22, 1957 concerning the four wells on the above captioned lease, we wish to request that you make the following corrections in your files:

Form 9-331a Notice of Intention to Drill
Form 9-331a Report of Casing and Water Shut-off

on the No. 1 well show the name of the well to be "Featherstone-Betty Crosby #1". The correct name of the well is "Betty Crosby #1".

Upon instruction from the Oil Conservation Commission, the Unit Letter designation should be corrected, as follows, due to Section 5-16S-30E being a long section:

Betty Crosby #1	X
Betty Crosby #2	Q
Betty Crosby #3	W
Betty Crosby #4	R

Yours very truly,

OLEN F. FEATHERSTONE
