West Henshaw Gbr. Pool

Dear Mr. Armstrong:

I am writing in reply to your letter regarding over-producing the above subject well during the month of August, 1962.

Our report to the Commission for the month of August showed that our monthly oil allowable was 180 barrels and that the actual production from this lease was 68 barrels. The lease being under-produced by 112 barrels for the month.

Very truly yours,

Blair Steele
