13. Describe Proposed or Completed Operation (clearly state if the proposal is to deepen directionally or recompleting. Attach the Bond under which the work will be performed following completion of the involved operations. If the testing has been completed. Final Abandonment Notice determined that the site is ready for final inspection.)

pertinent details, including estimated starting date of any proposed work and approximate duration thereof. Initially, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once all be filed only after all requirements, including reclamation, have been completed, and the operator has

We propose to clean out well to T.D. and put on production and test to see if it will produce oil in sufficient quantities to operate. If not, we will then apply for P&A approval.

We would like 3 months to complete test or P&A
