Dear Mr. Myers:

In reply to your letter of July 19, 1966, concerning the allowable on the above captioned well. We checked our records and found that when the change of operator was approved on March 1, 1966, we failed to put this well under your name in the Proration Schedule, therefore it has had no allowable since the last of March.

With supplement No.A-68, we are hereby assigning an allowable of 24 BOPD or 744 barrels for the month of July, and for the month of August we will assign 8 BOPD or 248 barrels for the month.

After checking your Form C-115 on this well the above allowable should take care of it, however, if it does not please let us know.

We are sorry to have caused you this inconvenience.

Very truly yours,

Oil Conservation Commission
