Soft of the Section XXX (W.) of the Fast line of Section (Give location from section or other legal sudirections.) If state land the oil and gas lease is No. B-6973 If patented land the owner is Address If government land the permittee is Address	Eday County. Subtraction lines and 660 feet Subdivision lines. Cross out wrong Assignment No.

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows:_______Blanks Bond

We propose to use the following strings of casing and to land or cement them as indicated:

565	Cement	50
2365	Nud	100 100
		2365 Nud

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about <u>5100</u> feet. Additional information:

...., 19...... Approved...

except as follows:

Sincerely yours,

Barney Cockburn Company or Operator me By_
