Dear Mr. Fulsom:

As you will recall, I spoke to you on May 12, 1961, concerning over-runs from the subject lease. At that time it appeared that the lease was over-run by 684 barrels, however, our Santa Fe office now informs me that the lease was over-run by 1025 barrels at the end of March, 1961. Therefore, please adjust your records accordingly.

Very truly yours,
