Gentlemen:

We are in receipt of Commission Form C-104 on the subject well showing change in ownership and also a change in lease name. However, the lease name (State EE Farm), does not comply with memo 2-65. May we suggest the following alternatives which do comply with said memo.

State EE or Farm EE State

The above mentioned forms will not be approved until we receive an answer from you.

If you have any questions please do not hesitate to call.

Very truly yours,
