THE CONSTITUTIONAL COMMISSION
OF THE UNITED STATES
OF AMERICA

SUBJECT: THE CONSTITUTIONAL COMMISSION

The Commission is a non-profit, non-partisan organization that was created by the U.S. Congress in 1981. It is the only federal agency that is not part of any executive branch department. The Commission's mission is to study and report on the operation of the federal government and to recommend changes to the Constitution and the laws of the United States that would improve the government's performance. The Commission's work is based on the principles of the Constitution and the values of the American people.

The Commission's work is based on the principles of the Constitution and the values of the American people. The Commission's work is based on the principles of the Constitution and the values of the American people. The Commission's work is based on the principles of the Constitution and the values of the American people. The Commission's work is based on the principles of the Constitution and the values of the American people.
