Re: Correction of POOL
From Square Lake Flood to Square Lake Pool
J.J. Travis - #1 Sheldon Federal
Unit G. Sec. 28, T-16S, R-31-E
Eddy County, New Mexico

Dear Sir:

We advised you by letter dated October 2, 1961, that captioned well was carried in the Statewide Oil Proration Order No. A-143, Page 49, as being in the Square Lake Flood Pool, and that this location was incorrect. The #1 Sheldon Federal should be in the Square Lake Pool. This lease is not being water flooded.

We wish to advise you again that in the Statewide Oil Proration Order No. A - 144, Page 49 is still carried in the Square Lake Flood, the #1 Sheldon.

Will you please make this correction.

Yours very truly,

J. J. Travis
