INSTRUCTIONS FOR THE
USE OF THE
AIR FORCE

1. PURPOSE AND SCOPE OF THE
INSTRUCTIONS

The purpose of these instructions is to provide a clear and concise guide for the use of the Air Force. The scope of these instructions covers all aspects of the Air Force, including its organization, personnel, and equipment.

The instructions are intended for use by all personnel who are involved in the operation of the Air Force. It is the responsibility of all personnel to read and understand these instructions and to follow them to the letter.

The instructions are divided into several sections, each of which covers a specific aspect of the Air Force. The sections are as follows:

2. ORGANIZATION OF THE
AIR FORCE

The Air Force is organized into several branches, each of which has its own specific responsibilities. The branches are as follows:

1. The Air Force is organized into several branches, each of which has its own specific responsibilities. The branches are as follows:
