Dear Mr. Winn:

This letter will acknowledge receipt of your Form C-110's on the Nos. 1, 2, and 3 wells in the Highlone-some Pool, Eddy County, New Mexico, indicating change of the operator's name and also change of the lease name to conform with the lease name of the No. 4 well.

Now, at this point I am going to suggest that you file Form C-110 for the No. 4 well changing the operator's name from J. C. Clower, et al to J. C. Clower to conform with the Nos. 1, 2, and 3 wells.

I also note that your No. 1 Atkins-State well in Unit "MM", Section 16-16-29, is listed in the proration schedule as State No. 1, which does not conform with the lease name as reflected by Form C-110. A copy of this letter is being sent to Mr. Porter, Proration Manager at Hobbs, to call this to his attention.

Thanking you for your cooperation in the past,
I am,

Yours very truly,

L. A. HANSON
Oil & Gas Inspector
