Re: Bell Petroleum Company
No. 1 Federal
Eddy County, New Mexico

Dear Mr. Armstrong:

On May 13, 1965 we were issued Supplement to the Oil Proration Schedule No. A-49 allowing us to sell 650 barrels of oil to The Permian Corporation from the captioned well which has been plugged and abandoned.

Our C-104 requested permission to sell approximately 650 barrels of oil from this well and The Permian Corporation now advises us that they have 685 barrels of oil to move from the lease.

We request your permission to move the 35 barrels additional oil from this lease.

Thank you for your cooperation.

Very truly yours

BELL PETROLEUM COMPANY
