Re: Submittal of Form C-110, Featherstone No. 1
Trust K-27, Sec. 27, T16S, R31E, Eddy County

Gentlemen:

In accordance with our telephone conversation of this date, enclosed are the required Forms C-110. Request For Oil Allowable, Form C-104, relative to the above well was submitted on February 5, 1964.

This well was completed on January 9, 1964, however, the well has not been on production due to lack of storage and oil transporter. Having already lost January allowable, we are anxious to produce the allowable for February and have negotiated with McWood Corporation to transport oil. We now have approximately 500 bbls of oil in storage in two (2) 250 Bbl tanks.

If the attached are approved, Mr. R.L. McPherson of the McWood Corporation in Midland, Texas, has requested that you call him collect at MUtual 2-3749 and so advise. He is desirous of transporting the oil now in storage during the afternoon of Thursday, February 27th.

Thank you very kindly for your attention and assistance.

Very truly yours,

OLEN F. FEATHERSTONE
