Gentlemen:

In regard to changing the operator on the above mentioned well, we have a Blanket Bond approved on June 3, 1963, for Thomas J. Welfelt. Therefore, please submit Form C-103 (Change of Operator) with Thomas J. Welfelt at top of form under name of company, and show previous owner's name and address in body of form. The form previously submitted has your name where operator's name should be. We will add the Thomas to Forms C-103 Plugging Report and C-105 Well Record as they must be in complete agreement with the bond.

Very truly yours,
