Sec. 26-178-27E

Gentlemen:

Enclosed are forms furnished to me by the
New Mexico Oil Conservation Commission for NOTICE OF
GAS CONNECTION, which I presume is the same form you
use all the time.

Mr. Richard Stamets of the Commission here
in Artesia advised that the form is necessary on the
above captioned well because it is located within a
designated gas pool, the Red Lake - Queen.

Your assistance in getting this file completed
will be much appreciated.

Yours very truly,

A. O. WOODEN
