Gentlemen:

This is to acknowledge receipt of Form C-104 and Form C-110 on the above captioned well. On April 3, 1964 we returned the Form C-104 requesting that you complete the form and return with Form C-110 showing transporters. As you still show no oil transporter, an allowable cannot be assigned this well.

We are returning, herewith, the above mentioned forms. It will be necessary for you to have an oil transporter and show the same on Forms C-104 and C-110 before these forms can be approved and an allowable assigned this well.

Very truly yours,
