						TITLE	AND GAS INS	PECTOR				
	STALLWORTH OIL & GAS					This form is	to be filed in	compliance with	RULE 1104.			
						If this is a request for allowable for a newly drilled or deepend						

All sections of this form must be filled out completely for silow-able on new and recompleted wells. Fill out only Sections I. II. III, and VI for changes of owner, well name or number, or transporter, or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply completed wells.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 111.
