Re: Etz A Federal Well No. 1 E
25-16-30, Square Lake Pool,
Eddy County, New Mexico

Gentlemen:

As the subject well is not directly or diagonally offset by an injection well, it is not a part of the Loe flood project area and should not be shown on Form C-120, Monthly Injection Report.

We have corrected reports now in our files. Please make this change before filing future waterflood reports.
