Dear Mr. Read:

This will acknowledge receipt of Commission forms C-103, 104 & 105 on the above captioned well. Approved copies of C-103 are enclosed.

The C-104, Request for Allowable, will be approved when we receive a Notice of Connection from the transporter.

Since we only received 5 copies of Form C-105 it will be necessary for you to submit 1 additional copy as 6 are required on State Land.

Very truly yours,

OIL CONSERVATION COMMISSION
