Union State No. 1 J
13-16-31, Gas Well Test

Dear Donna:

Referring to the subject Gas Well Test, dated February 4, 1967, please show me how you arrived at the Pcr and Tcr shown. My figures, 578 and 300 respectively, do not agree with yours. However, as the nitrogen content exceeds the volume shown in the manual, my calculations may be incorrect.

Very truly yours,
