GEOLOGICAL SURVEY

IN REPLY REFER TO:

7-10-10-107  
10-10-10-107

December 16, 1952

Mr. Glen F. Featherstone  
212 Becker Building  
Artesia, New Mexico

The Artesia Office  
10-10-10-107

Dear Sir:

Receipt is acknowledged of your letter of intention to  
"fill" dated December 10, 1952, at 12:00 P.M. 12 Brooks  
"A" well located in the SW 1/4 of Section 12, T. 17 N., R. 23 E.,  
Empire Field, Elky County, New Mexico.

Your proposed plan for the proposed project to accomplish  
with the provisions of the "Regulations Governing Regulations" required  
May 23, 1952, a copy of this plan and request and subject  
to the following conditions:

1. All plans and proposals are subject  
to the provisions of the regulations and conditions  
of the proposed plan for  
submitted by this office on  
December 10, 1952.
2. Copies of all logs, surveys and  
other data of geological and engineering  
nature.

The unorthodox is of the Artesia New Mexico Oil Conserva-  
tion Commission, Under Order, 10-10-10-107, and the water-flooding  
project.

Very truly yours,

*[Signature]*  
Special Agent in Charge
