19-17-26, Wildcat Pool,  
Eddy County, New Mexico

Dear Mr. Angle:

The subject well was partially plugged during December, 1968, and thereafter, turned over to the land owner for use as a water well. However, to date the "Affidavit of Responsibility, Conversion to Water Well" has not been filed as required.

Until said affidavit is completed and submitted, we cannot approve the plugging report for the well and the well will continue to be carried under your plugging bond.

Please file the required affidavit at your earliest convenience.

Very truly yours,

OIL CONSERVATION COMMISSION
