Eddy County, N. M.

Gentlemen:

On October 1, 1973, Notice of Intention to Re-enter, clean out to total depth and set 5½" casing on the subject well was approved; but to date, no additional reports have been received.

Please file Form C-103 reporting the re-spud date, details on setting and cementing the 5½" casing and all perforations, treatment and results.

Sincerely yours,

OIL CONSERVATION COMMISSION
