Dear Mr. Boyd:

On December 6, 1973, we returned Forms C-105 on the subject well for additional information. We ask that you complete the form by filling in the formation record from surface to total depth and send a copy of the deviation test.

To date this form has not been returned.

We would be most appreciative if you would return the form at your earliest convenience.

Sincerely yours,

OIL CONSERVATION COMMISSION

W. A. Gressett  
Supervisor, District II
