Dear Mr. Gressett:

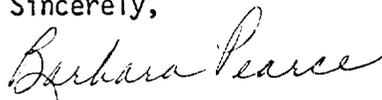

With reference to your letter dated December 6, 1973, enclosed for your files and information are two copies of the deviation tests on the captioned well.

The formation record from surface to total depth has been requested from Mr. Harry Pace, Geologist. This information was requested December 10, 1973. As of this date, I have not received a reply from Mr. Pace.

Upon receipt of the Formation Record, this information will be forwarded to your office.

We are extremely sorry for the delay in this matter. If you require additional information, please advise.

Sincerely,

Barbara Pearce
