IT IS THEREFORE ORDERED:

Case # 5386 1-8-75  
Order R. 4955 1-28-75

(1) That the applicant, Yates Petroleum Corporation, is hereby authorized four conventional dual completions, Eddy County, New Mexico, as follows:

the State "CY" Well No. 1 in Unit K of Section 32, Township 17 South, Range 25 East, NMPM, to produce gas from the Upper Pennsylvanian formation through 2 3/8-inch tubing and commingled gas from the Strawn and Atoka formations through 2 3/8-inch tubing and the casing-tubing annulus by means of a crossover assembly at approximately 6350 feet with separation of the zones by means of packers set at approximately 6350 feet and 7723 feet;

PROVIDED HOWEVER, that the applicant shall complete, operate, and produce each of said wells in accordance with the provisions of Rule 112-A of the Commission Rules and Regulations insofar as said rule is not inconsistent with this order;

PROVIDED FURTHER, that the applicant shall take packer-leakage tests on each well upon completion and annually thereafter during the Shut-In Pressure Test Period for gas wells in Southeast New Mexico.

(2) That the applicant shall take and file test data including, at least, monthly rates of production of gas and liquids, periodic flowing wellhead pressures and shut-in pressures for the first 3 months of production, after the date of this order, from any zone of a dual completion herein approved.

(3) The applicant shall file such test data with both the Artesia district and Santa Fe offices of the Commission.

(4) The Secretary-Director of the Commission may rescind the authority for the dual completion of any well herein approved if a review of the test data required by Order (2) above demonstrates inefficient flow from either or both zones from any of said wells.

IT IS FURTHER ORDERED:

(1) That the unorthodox gas well location of applicant's Federal "CR" Com Well No. 1 located 660 feet from the South line and 660 feet from the West line of Section 29, Township 17 South, Range 25 East, NMPM, is hereby approved.

(2) That jurisdiction of this cause is retained for the entry of such further orders as the Commission may deem necessary.
