Gentlemen:

We hereby acknowledge receipt of a Notice of Gas Connection from Southern Union Gas Co. reporting a connection to the subject wells on June 18, 1976.

Said notice of connection shows a Master Meter to measure gas from both wells.

To date this office has not received Forms C-104 on either well reporting this connection.

Further, please advise as to the measurement of gas from each well prior to commingling.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
Supervisor-District II
