Gentlemen:

We would like to advise you that the gas from the subject wells is measured by an Amoco meter at each well prior to going through Southern Union's Master Meter.

This is in reply to your letter dated 6/23/76 regarding measurement of gas from the subject wells.

We have previously furnished you Forms C-104 on these wells and request your approval of the same.

Yours very truly,

D. L. WRIGHT
Area Administrative Supervisor
