Dear Sir:

We are hereby requesting permission to comingle the casing head gas from
the above captioned well with that of the State Well No. 1, State Lease
No. B 4575, (Artesia (Q.G.SA), located in Unit P, 330' from the South

The volume of gas from this well is so small that Phillips Petroleum

that of the No. 1 well.

In order to arrive at an accurate production figure, each well will be
shut in periodically and tests run to determine production for each
individual well.

May we hear from you, regarding this request, at your earliest
convenience?

Yours very truly,

John. R. Gray, per
