SURFACE USE CHECK LIST  
MESA FEDERAL NO. 1  
UNIT LETTER K  
SECTION 30, T-19-S, R-24-E  
EDDY COUNTY, NEW MEXICO

1. Existing roads are indicated in red on the attached map.
2. Repair of existing access road running south out of highway is planned.
3. All existing wells and our planned location are indicated on the attached map.
4. 1980' lateral road planned from west line of Sec. 30 to location.
5. The TB or surface equipment to serve this well will be located on the drilling pad.
6. Drilling water will be purchased from existing commercial supplies and will be trucked in to the location.
7. Waste disposal will be handled by appropriate approved means at such time as it becomes necessary. No need for waste disposal is currently anticipated.
8. No camps are planned.
9. No airstrips will be constructed. If necessary, the Carlsbad Municipal Airport, will be used.
10. Location layout is attached.
11. Surface will be restored level and all pits covered.
12. Do not anticipate any activities that have detrimental effects on the environment.
